

Tartar Teen Talk

By Pam Anderson

Reserve this Friday for an evening of fun and games as the Girls' Athletic Association hosts a "Sports Nite" in the boys' gym from 7:30 until 11 p.m. Come and dance to the music of the "Johns." The price is only 25 cents, so see you there!

Here are some important dates to remember if you are a Tartar planning to run for a student body office. Applications will be available in the activities office April 17 and will be due April 25. A meeting of all candidates will be held April 28.

Are you being plagued by all the "ACWOS FONU" that's been seen on campus? Here's your cure. Take your car to "A Car Wash On Saturday For Our New Uniforms" sponsored by the drill team, which will wash any car, no matter how dirty or how big, for only \$1 between 9 and 3 p.m. Saturday. Help prevent the spread of Acwos Fonu!!

IF YOU are a sophomore or junior girl with a "B" grade average, start thinking about applying to become a Tartar Lady. Applications for this service club will be available April 19 in the Activities office.

Down with skirts! Student council has recently started a campaign to lower skirt lengths which seem to be climbing higher—and higher. Any girl whose skirt is beyond the acceptable standards of modesty is subject to a citation. This means that the girl will be brought before the student court and repeated offenders are subject to punishment. So girls, keep them wondering and keep the skirts down!

YESTERDAY the student council attended a meeting of the California Association of Student Councils, District 19. At this election convention, two Tartars were nominated.

What to tell the babysitter?

When you know that she knows where you can always be reached by phone, you'll have a better time. Even if you're planning to be two or three places during the evening, it's a good idea to write down the names of the places, the phone numbers, and the approximate times you'll be there.

And, may we suggest that you have all the emergency numbers, including the family doctor's, written down in the front of your phone book. The sitter should be familiar with these numbers.

Taking this precaution is a very simple matter—and it's one way that your telephone can make a night out just that much more pleasant.
